"Specializing in Strong Social Police Dogs!"

23 November 2020

TO VOHNE LICHE KENNELS SUPPORTERS

2020 has not been kind to law enforcement and the K9 side of it has not been any different. As part of trying to help agencies battle through COVID-19 and social unrest, we decided to offer a significant discount helping departments across the U.S. afford a new dog and training. I would like to thank all the agencies who took advantage of VLK's second half discount in an effort to get their working dogs purchased and teams trained.

Because of this cooperation, we were able to provide 26 law enforcement agencies from as far away as Hawaii to Mississippi to California and in between with discounts totaling \$120,000. It has not been easy this year but we at VLK are proud to work with our law enforcement partners to provide critical resources in these complicated times.

Our hope is that 2021 will be much improved and we look forward to continue to provide the best services in the industry.

Stay Safe!
